Conclusion: ACME Bites and **Wholesome Foods** are the top two customers. For both, Chocolate Chip is the leading product; Oatmeal Raisin ranks second for ACME Bites, while White Chocolate Macadamia Nut ranks second for Wholesome Foods. ACME Bites' sales for both top products peak mid-year. For Wholesome Foods, Chocolate Chip peaks in December, while White Chocolate Macadamia Nut also peaks mid-year but is ordered less frequently overall.

Recommendations:
ACME Bites, the top high-value customer, generates the highest Chocolate Chip revenue and orders in Q2; therefore, promotions in Q1 and Q4 are recommended to balance sales throughout the year. Additionally, since **Wholesome Foods** does not order White Chocolate Macadamia Nut cookies for half of the year, targeted promotions should be implemented to drive consistent year-round sales.
