Conclusion:

- ACME Bites generates **83.71%** more revenue and makes **69.11% more orders**, followed by Wholesome Foods.
- For both, Chocolate Chip is the leading product generating **37.41%** more revenue overall, followed by Oatmeal Raisin for ACME Bites, and for Wholesome Foods, White Chocolate Macadamia Nut was second with **26.7%** higher revenue.
- ACME Bites' sales for both top products peak mid-year, with Chocolate Chip having **52% higher monthly orders**. For Wholesome Foods, Chocolate Chip peaks in December, while White Chocolate Macadamia Nut also peaks mid-year but is ordered less frequently overall.

Recommendations:

- ACME Bites, the top high-value customer, generates the highest Chocolate Chip revenue and orders mid-year; therefore, **promotions in Q1 and Q4** are recommended to balance sales throughout the year.
- Since Wholesome Foods does not order White Chocolate Macadamia Nut cookies for half of the year, **targeted promotions** should be implemented in **Jan, Mar, May, Aug & Sep** to drive consistent year-round sales.
